SPONSORSHIP INFORMATION PACKET

WHAT – Texas NORML is proud to announce our 2018 Annual Member's Mixer! Our theme this year is "Moroccan Masquerade". This is a private event for members and their guests. At this catered party, you will enjoy live music, participate in our costume contest with prizes from Austin Made Glass and enjoy networking with fellow advocates.

WHEN – Friday, October 27th, 2018 from 7pm -10pm

WHERE – This year we are excited to have a downtown Austin venue hosting our private event. This centrally located venue has a patio for us to enjoy. Location will be disclosed only to ticket holders and confirmed sponsors, within one week of the event

WHY – Our members are the boots on the ground and are committed to changing our draconian marijuana laws in the harsh Texas political environment. The Member's Mixer is a time to celebrate accomplishments and express appreciation for the dedication, support and hard work members show throughout.

HOW – Become a sponsor for this event! Your sponsorship allows us to host a high quality networking event in the Capital City.
