TEXANS FOR RESPONSIBLE MARIJUANA POLICY

The voter guide was compiled, published, and funded by **Texans for Responsible Marijuana Policy**, a broad coalition of organizations, activists, and community leaders dedicated to promoting honest, fact-based dialogue regarding marijuana use and the negative effects of its criminalization.

TEXAS NORML

Texas NORML originated the guide in 2012, and we appreciate their continued help in producing this years guide.

In Texas, citizen-initiated ballot propositions are not allowed, so elected officials at the state and federal level are responsible for upholding or reforming marijuana laws. *We surveyed candidates seeking to represent you in the Texas House, Texas Senate, U.S. House, and U.S. Senate.*

1. **Identify your Texas House, Texas Senate, and U.S. House Districts:** http://www.fyi.legis.state.tx.us/Home.aspx.

2. **Use this guide to find out where the candidates stand on the following issues:**

STATE

a. Allow patients with debilitating medical conditions (e.g. cancer, chronic pain, PTSD) to **access full-spectrum medical cannabis**, with physicians making dosing decisions.
b. Make low-level **possession** of marijuana **punishable by a fine, but no jail time, and an opportunity to avoid a criminal record**.
c. Allow **adults 21+ to possess limited amounts of marijuana** and establish a legal market.
d. **States should be able to carry out their own marijuana policies** without federal interference.

FEDERAL

e. **Deschedule cannabis**, removing it from the Controlled Substances Act and **allowing domestic cannabis research**.
f. **Veterans Administration** doctors should be allowed to **recommend cannabis to treat service-related injuries**.
g. State-licensed cannabis **businesses should have legal access to the banking system** to avoid doing business in cash.
h. **States should be able to carry out their own marijuana policies** without interference from the federal government.

3. **Get ready to vote!** When, where, and how: https://www.votetexas.gov/index.html

Thank you for your interest in reforming marijuana laws in Texas!

Get More Involved!

Now that you have identified your district numbers and the candidates seeking to represent you, consider reaching out to share your support for cannabis law reform. Review our advocate resources and use **these tips on how to approach the candidates during the upcoming election:**

Candidates who SUPPORT reform - Express gratitude and let them know you agree!

- Visit candidates' campaign websites to learn about their platform. **Send an email to share your appreciation of their support for reform.**
- **Sign up for their newsletters and follow them on social media.** Engage with them thoughtfully online and don't hesitate to share links to resources.
- **Ask about and attend local events.** Introduce yourself and thank them in person for their support. If they take questions from the audience at local townhalls/debates/forums, take advantage of the opportunity to ask them to discuss their positions on medical cannabis and decriminalization so others can also hear from them on the important issues. **Take pictures and tag the candidate in social media posts!**
- **Volunteer for their campaign; it's a great opportunity** to build a relationship with the candidate and their team. Sometimes, campaign staff become legislative staff when the candidate wins an election. If you have a good relationship, you can be a resource for them on this issue.

Candidates who OPPOSE reform - Always remain respectful, even if they don't yet share your views on marijuana policy.

- **Send an email to introduce yourself** and thank them for being willing to serve your district in the Texas Legislature. Politely let them know you support reform and hope they'll reconsider their position. If you have a personal story or professional experience, be sure to include it as concisely as possible. When possible, share links to resources, including studies, reports, and news articles from reputable sources.
    - Remember, you will have other opportunities to continue the conversation, so try not to overwhelm them in your first email.

Candidates who DIDN'T RESPOND to our survey - Ask them about where they stand on this important issue!

- **Send an email and/or contact them on social media** to ask what they think about various aspects of reform. You can send them our survey questions, which are listed on page two of this voter guide).
    - Be sure to ask them state/federal questions based on the office they are running for. (State: Tx House/Senate; Federal: U.S. House/U.S. Senate)
